## Experience

March 2022 – April 2023

Data Processing Assistant - Prestige International Logistics (PVT) LTD Colombo, Sri Lanka

I worked with data entry and database systems by compiling and organizing information for upload, running validation queries, and keeping records accurate and up to date. I performed daily backups to reduce data loss and supported technical operations by troubleshooting computer, hardware, and software issues when needed. This experience helped me build strong attention to detail, problem-solving skills, and confidence working with data.

September 2025 – October 2025

Packaging Assistant (Short-Term Placement) - StickerYou Inc. — Toronto, Canada

Supported the preparation and packaging of sticker products for customer orders with a focus on accuracy and product quality. Undertook this short-term placement during an academic break to gain practical work experience and remain productive. Developed strong attention to detail, time management, and collaborative workflow skills. Demonstrated initiative and accountability throughout the role.
